

IT'S NICE TO KNOW
A REWARDING JOB COMES WITH

BENEFITS LIKE THESE.

There are lots of reasons why more than 250 psychiatrists enjoy working for us. For some, it's because we provide them with a supportive work environment with generous yearly paid time off to rest or spend with family and friends. For others, it's because of our salary and benefits package. But for many, it's because our retirement program allows our doctors to collect a retirement check after working as little as five years. (Now that's peace of mind.) To learn more about our great careers, please call or email

Dr. John Lindgren at **209.351.7225** or **Psychiatry.Jobs@cdcr.ca.gov**. Ask us about our **\$10,000 Welcome Bonus** and our **visa candidate sponsorship program**.
