

IT'S NICE TO KNOW
A REWARDING JOB COMES WITH
**BENEFITS
LIKE THESE.**

There are lots of reasons why more than 300 psychiatrists enjoy working for us. For some, it's because we provide them with a supportive work environment with nearly eight weeks of paid time off to rest or spend with family and friends. For others, it's because of our salary and benefits package. But for many, it's because

our retirement program allows our doctors to collect a retirement check after working as little as five years. (Now that's peace of mind.) To learn more about our great careers in the great state of California, call Greg Tarasoff at 415-488-7649, or email at CaliforniaTarasoff@gmail.com. Ask us about our \$10,000 Thank You Bonus.
