BIDDERS RFP RESPONSE UPDATE

**New Form of Response**

Bidders should, instead of providing their standard form contract, provide a Statement of Work as Exhibit A to the attached form agreement. Bidders may revise the form agreement to reflect the terms and conditions upon which they agree to provide the medical dictation system. Compliance with the terms of the form agreement will suffice as compliance with the terms and conditions set forth in GTC-307 and CCC-307.

The revised form agreement, including the Statement of Work, shall constitute the minimum terms and conditions upon which a bidder shall agree to provide the medical dictation system to the California Prison Health Care Receivership Corporation ("CPR").
